

**North American Association of Central Cancer Registries
Agreement for Administering the Central Cancer Registry
Inter-Registry Resident Data Exchange**

This Agreement establishes the terms and conditions for the exchange of resident cancer case information between participating member registries ("Trading Partners," collectively) of the North American Association of Central Cancer Registries ("NAACCR"). This Agreement will be executed in counterparts by each Trading Partner, with each such signed Agreement deemed to be an original, and all such counterparts together shall constitute one and the same instrument. The executed counterparts of the Agreement shall be maintained by NAACCR, but NAACCR is not a party to the Agreement.

Each Trading Partner agrees to specify in detail any additional permissions and/or restrictions affecting the use, release and re-release of its information by other Trading Partners. These specifications will be included in the Addendum, hereby incorporated into this Agreement. Each Trading Partner agrees to update and keep current all information in the Addendum by informing NAACCR in writing of any changes to law statute, regulation or policy that impact this Agreement and expressly authorizes NAACCR to provide a copy of the Trading Partner's executed counterpart (and any Addendum thereto), as may be revised or modified, to any other Trading Partner at any time.

Each Trading Partner may rescind or modify its participation in this Agreement by sending a written notice of rescission or a copy of revisions to NAACCR. Each Trading Partner acknowledges that it is its responsibility to provide written notification to NAACCR of any rescission or modification of its participation in this Agreement, including any revision of the Trading Partner's Addendum or this Agreement.

By signing this Agreement, the central cancer registry listed below agrees to become a Trading Partner in the exchange of cancer incidence data, acting as the Sending Registry and/or the Receiving Registry with regard to resident cancer data for all other Trading Partners and hereby agrees that:

1. The Sending Registry will provide all cancer registry records and information concerning diagnosis and treatment of cancer occurring in non-residents and contained in the Sending Registry to the Receiving Registry where the reported cancer cases reside, except information specifically exempt from release by the Sending Registry in accordance with the restrictions in the Addendum.
2. Information will be provided electronically, whenever practical. The latest data core edits will be run on the data by the Sending Registry, and the data shall be formatted to follow the most current NAACCR data exchange record layout, shall contain sufficient information to be used for statistical and administrative purposes, and shall be transmitted through a mutually agreed-upon secure method that ensures against inappropriate access to the information.
3. All transmittals of cancer registry records are to be made following a timetable mutually agreed upon by Trading Partners. To ensure optimum utilization of the records, Trading Partners shall make every reasonable effort to forward all cancer case reports within eighteen (18) months of the end of the diagnosis year.
4. The information exchanged under this Agreement may only be used by the Receiving Registry for purposes authorized in Paragraph 7 of this Agreement or any other purposes authorized in writing by the Sending Registry. The Receiving Registry agrees to use records containing identifiable information exchanged under this Agreement in full compliance with the terms and conditions of this Agreement and any specific conditions required by the Sending Registry in the Addendum. Identifiable information exchanged under this Agreement may not be re-released by the Receiving Registry without written permission of the Sending Registry.

For the purpose of this Agreement, identifiable information shall be defined as in the HIPAA Privacy Rule (45 CFR 164.514).

5. Any and all data that may lead to the identification of any patient is strictly privileged and confidential, and the Receiving Registry agrees to keep all such data strictly confidential.
6. A Receiving Registry shall maintain the confidentiality of the exchanged patient identifying data and has legal protections in place under state and/or federal law to be able to protect the data from release in

any manner contrary to the terms of this Agreement. Such confidentiality shall be maintained notwithstanding termination of this Agreement.

7. The cancer incidence data provided under this Agreement may be used for the following purposes and as specified by the Sending Registry for:
 - a. Aggregated statistical tabulations and analyses;
 - b. Linking with appropriate databases {e.g., *death certificates, hospital discharge databases, Indian Health Service, National Death Index*} as necessary for cancer registry activities intended to acquire or enhance cancer case information;
 - c. Research conducted by the Receiving Registry that has been approved by the Receiving Registry's Institutional Review Board, unless otherwise specified in the Addendum; All other research, including re-release of records, requires written permission of the Sending Registry;
 - d. Sharing of partially de-identified information with local and/or national public health agencies, including NAACCR and the CDC/NPCR Coordinated Call for Data, and the National Cancer Institute's Surveillance, Epidemiology, End Results (NCI/SEER) Call for Data, and for the support of public health programs, with an agreement that provides appropriate restrictions on the use and release of the shared information;
 - e. Conducting linkages with and providing case information to the Breast and Cervical Cancer Control Program and Colorectal Cancer Control Program under the terms of a written Memorandum of Understanding or other means that provides for the appropriate restrictions on the use and release of the shared information;
 - f. Sharing records with State Health Departments for surveillance or community health assessment activities; and
 - g. Sharing of case data with other central registry entities in the Receiving Registry's state.
8. The Receiving Registry will restrict access to cancer incidence data or identifiable information on a cancer patient that was supplied by a Sending Registry under the terms of this Agreement from being released to anyone not employed in the direct operation of the Receiving Registry, except as specifically authorized within the terms of this Agreement. Employees may include those involved in the processing, administration, quality control review, and statistical surveillance of cancer incidence data.
9. All officers, agents and employees shall keep all such data strictly confidential; and that the Receiving Registry shall communicate the requirements of this Agreement to all officers, agents, and employees, shall discipline all persons who may violate the requirements of this Agreement, and shall notify the Sending Registry in writing within two working days (48 hours) of any violation of this Agreement, including full details of the violation and corrective actions to be taken.
10. The Receiving Registry will notify the Sending Registry if, in the conduct of approved research or other activities involving the Sending Registry's data, there is a breach or misuse of a cancer patient's identifying information or potentially identifying information. Should a breach or misuse take place, the Receiving Registry must notify the Sending Registry in writing within forty-eight (48) hours of the release of the data, and shall take all feasible measures to mitigate loss or damages related to such breach or misuse, including, but not limited to, bearing sole responsibility for reasonable costs, including attorneys' fees, related to mitigating the breach or misuse.
11. Any other use or release of information from records provided to the Receiving Registry that is not authorized by the terms of this Agreement requires the written permission of the Sending Registry.
12. In the event that the Receiving Registry receives a subpoena or other compulsory legal process compelling disclosure of confidential data, the Receiving Registry agrees to notify the Sending Registry within forty-eight (48) hours of receipt of the subpoena or other compulsory legal process. Additionally, should the Receiving Registry receive such a subpoena or other compulsory legal process, it shall take all legal steps reasonably necessary to oppose the subpoena or other compulsory legal process.

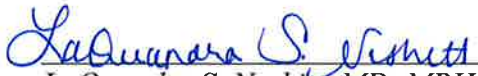

13. This Agreement shall remain in effect as to any Trading Partner from the date of its execution until a duly authorized representative of that Trading Partner notifies the other Trading Partners of a change or termination of this Agreement through written notification to NAACCR.

14. All notices required or desired to be made to this Agreement by any Trading Partner shall be sent to NAACCR as well as to any Receiving Registry of the Trading Partner.

Addendum to Trading Partner Agreement of Data Exchange

Additional permissions and restrictions on the use of cancer registry information from this Trading Partner.

- Data received from District of Columbia Cancer Registry (DCCR) shall not be included in research conducted by receiving registry without prior approval from DCCR.
- Release of identifiable or potentially identifiable patient information is not permitted in the data exchange.
- The Receiving Registry will notify the Sending Registry if, in the conduct of approved research or other activities involving the Sending Registry's data, there is a breach or misuse of a cancer patient's identifying information or potentially identifying information. Should a breach or misuse take place, the Receiving Registry must notify the Sending Registry in writing within twenty four (24) hours of the release of the data and shall take all feasible measures to mitigate loss or damages related to such breach or misuse, including, but not limited to bearing sole responsibility for reasonable costs related to mitigating the breach or misuse of DCCR data.
- The Receiving Registry shall indemnify and hold harmless the District of Columbia, its agents, officers and employees from any claim for loss, injury or damages arising out of acts of omissions in the performance of this Agreement on the part of a Receiving Registry.
- DCCR and the Receiving Registry and their respective agents, employees and other personnel shall abide by: (i) all applicable federal, state and local laws, rules regulations, including; but not limited to all applicable Medicare and

Medicaid laws and regulations and all applicable laws and regulations under the Health Insurance Portability and Accountability Act {"HIPAA"}: the Health Information Technology for Economic and Clinical Health Act and its implementing regulations and guidance issued by the Secretary of the Department of Health and Human Services and codified at 42 U. S. C. A. prec. § 17901 (the HITECH Act") as the same may be amended from time to time (collectively, the "Regulation"); and the Data-Sharing and Information Coordination Amendment Act of 2010 (D.C. Law 18-273: D.C. Official Code § 7-241 et seq.) and its implementing regulations and other federal and state regulations governing the confidentiality of health information, including without limitation mental health, substance abuse and HIV-related information: and (ii) all applicable standards of any applicable accreditation organization.
