

## Research and Data Use Steering Committee

May 8, 2017; 1:00-2:00 pm EST

### Notes

#### 1. Roll

- In attendance: Hannah, Susan, Castine, Loria Pollack (for new member Manxia Wu), Kathy, Frank, Chris, Maria, Glenn
- Absent: Wu, Recinda, Vicki, Betsy, Chuck, Prithwish, Glenn, Amanda, Carol, Ahmedin, Kevin

#### 2. Review and recruit RDU steering committee membership

- To be revisited based on work plan
- Remove Donna Tuner as she is no longer the registry director

#### 3. Strategic Management Plan and 1 year work plan

- What could be added to certification? Treatment, stage for select cancer sites, survival, 12 month data. Glenn and Chris will share notes and Hannah will present at next RDU call. [Note: Denise Lewis (NCI) has compared early vs. later submission (check for recent publication)].
- Need to review objective #2 and action plan.
- Objective 4 - Recinda has been talking to IMS about data visualization features on website

#### 4. Possible New Webinars – NCI/ Rural Health (Shobha Srinivasan), Rocky on new data methods, virtual tissue repository (Lynn P to contact), CDC data visualization (Loria Pollack).

#### 5. Other Business?

- Older ages groups – paper to come out soon on 85+ age groups. Kathy to follow – up, perhaps Sean can update the RDU.
- Susan to update the list of past and possible webinars.
- Next meeting (June 12<sup>th</sup>): Agenda for June in person meeting
