

**Standardization and Registry Development Steering Committee  
June 10, 2019**

<b>Attendance</b>				
<b>Members Present:</b> Lori Koch (Co-chair) Winny Roshala (Co-chair) Peggy Adamo	Mary Jane King Gary Levin Rich Pinder Randi Rycroft	<b>Board Liaisons Present:</b> Wendy Aldinger Isaac Hands	<b>NAACCR Staff Present:</b> Lori Havener	<b>Guests Present:</b> Junhie Oh Sandra Gamber
<b>AGENDA ITEM</b>		<b>DECISION</b>	<b>ACTION/FOLLOW-UP</b>	
<b>1. Roll</b>				
<b>2. Review action items from last meeting</b>				
<b>3. Consent Agenda (see items in Table 1 and go to SHARE Site for updates)</b>				
<b>4. Discussion Items</b>				
<b>a. LOINC Update Question (it has not been updated since Volume II Version 12)</b> Lori has emailed Ted Klein with a follow-up email, no response at this time.			<ul style="list-style-type: none"> <li>Lori H. will continue to follow-up with Ted Klein regarding the process to update LOINC with Volume II current versions.</li> </ul>	
<b>b. 2018 Central Registry Readiness Survey Results</b> Winny presented the 2018 Central Registry Readiness results summary. The NAACCR Board recommended distributing the survey quarterly to continue assessing central registry readiness for 2018 data.  There was discussion of providing survey participants with a comparison of prior results with current results. Isaac suggested adding XML readiness questions to the survey.		S&RD SC approved the summary to be forwarded to the NAACCR Board for their review/approval to send out to the NAACCR membership.	<ul style="list-style-type: none"> <li>Lori H. will submit the summary to the NAACCR Board.</li> <li>Isaac will check with the XML Data Exchange WG on adding questions to the 2018 readiness survey.</li> </ul>	
<b>c. 12-month Data Project</b> Lori K. provided an overview of the 12-month data project. There are 3 themes being addressed: 1) 12-month standards, 2) Staffing, and 3) Auto-consolidation.  Peggy mentioned there is a SEER Work Group developing auto-consolidation rules. Florida has shared their rules with SEER. There is more of a need for auto-consolidation than in past years due to the reduced central registry resources over the years.				
<b>d. OHDSI/OMOP Oncology Extension and NAACCR</b> Last month Michael Gurley of Northwestern University presented on the OHDSI research vocabulary and the OMOP data model. Michael requested that NAACCR:		Health IT AG is currently being restructured to a cancer informatics group. The SC agreed that the new informatics group, when they have identified a chair and new members,	Lori K. and Winny will notify Michael Gurley of the SC decision.	

<ul style="list-style-type: none"> <li>• Create a complete, machine-parseable data dictionary across all NAACCR data items and data item codes across all cancer site/schemas.</li> <li>• Assist with QAing the OMOP translation of the NAACCR standard into the OMOP vocabulary tables.</li> <li>• Assist in mapping the NAACCR data dictionary to standardized vocabularies like CAP checklists, SNOMED, and LOINC.</li> </ul>	<p>should address the OHDSI requests.</p>	
<p><b>e. Standards Volume I</b> Lori H. inquired whether Standards Volume I is relative in its current format when the cancer surveillance community switches to the XML transmission format.</p>		<p>Isaac will take Standards Volume I to the XML Data Exchange Work Group to review/update for XML.</p>
<p><b>5. Other Business</b></p>		
<p><b>6. Tweet worth for Communications SC</b></p>		
<p><b>7. Board liaison report</b></p>		
<p><b>8. Next Meeting</b></p>	<p>June 27, 2019 at 12:00 pm ET</p>
