3. 2020 – 2021 Nominating Committee

   Randi Rycroft

   a. VOTE: Election of 2020 – 2021 Nominating Committee

      The following were nominated and accepted: April Austin, Deb Hurley and Kim Vriends

   ACTION: April Austin, Deb Hurley, and Kim Vriends were accepted into the nominating committee.

   ACTION: Randi appointed April Austin as chair of the Nominating Committee and she agreed to serve in this role.

4. Board of Election Results and Destruction of Ballots

   Randi Rycroft

2020 Election Report submitted by Chair, Chandrika Rao – Written Report

Randi congratulated all newly elected board members who will assume office at the conclusion of this meeting. She looks forward to serving with them in the coming year and thanked the nominating committee for
presenting us with an exceptional slate of candidates.

Results:  President Elect – Winny Roshala; Representative-at-Large - Monique Hernandez, Mary Jane King, Angela Meisner; Sponsoring Member Organizations Representative – Lori Swain

a. VOTE: Destruction of 2020 Ballots
   The election ballots were destroyed.

ACTION: The election ballots were destroyed.

5. Treasurer’s Report – Written Report
   Maria Schymura
   There were no questions regarding the audit and financials status.

6. 2020 Proposed Bylaws Revision
   Wendy Aldinger
   The organization’s bylaws are meant to formalize how decisions can be made and how business is conducted. Bylaws may broaden in nature and then can be further explained and supplemented by standing rules which function under the umbrella of the bylaws. The President called on the Bylaws Committee Chair to report.
   Wendy Aldinger presented the procedure for considering revisions.
   a. VOTE: Proposed Bylaws Revision

   ACTION: Article I. Scope and Purpose was provisionally adopted by 59 votes.
   ACTION: Article II. Membership was provisionally adopted by 55 votes.
   ACTION: Article III. Officers was provisionally adopted by 58 votes.
   ACTION: Article IV. Meetings of the Membership was provisionally adopted by 58 votes.
   ACTION: Article V. Board of Directors was provisionally adopted by 59 votes.
   ACTION: Article VI. Committees was provisionally adopted by 57 votes.
   ACTION: Article VII. NAACCR Staff was provisionally adopted by 57 votes.
   ACTION: Article VIII. Executive Office was provisionally adopted by 60 votes.
   ACTION: Article IX. Financial Administration was provisionally adopted by 56 votes.
   ACTION: Article X. Parliamentary Authority was provisionally adopted by 57 votes.
   ACTION: Article XI. Amendment to the Bylaws was provisionally adopted by 57 votes.
   ACTION: Article XII. Dissolution of the Association was provisionally adopted by 58 votes.
   ACTION: By direction of the bylaws committee, Wendy moved to adopt the bylaw revision with proviso. Entire Bylaws revisions were adopted by 56 votes.
   ACTION: On behalf of the bylaws committee, Wendy moved that the bylaws committee be authorized to correct article and section designations, punctuation, grammar, and cross-references and to make such other technical and conforming changes as may be necessary. There were no objections, the motion was adopted and the Bylaws Committee is authorized to make such corrections.

7. Highlights and Accomplishments/Strategic Management Plan (SMP) and Update
   a. NAACCR Highlights and Accomplishments – Written Report
      Randi Rycroft
      Randi encouraged the membership to read the Highlights and Accomplishments written report in the meeting packet. The accomplishments of this organization over the past year are impressive and membership should be very proud of what NAACCR has accomplished.
   b. Strategic Management Plan Update
      Nan Stroup
We are in our final year of our 5-year SMP and are beginning the process of renewal. This provides a blueprint for the future direction for the organization for the next five years and defines the work to be done to ensure that our cancer surveillance systems continue to evolve to meet the needs of the cancer community. An SMP survey will be released to the membership on June 25th and available until July 16th.

ITEM #7  Steering Committee Written Reports

---

Report Date:  **June 8, 2021**

Chair/Co-Chairs:  Antoinette (Nan) Stroup and Lynn Giljahn

Reporting Period:  Start Date  02/01/2021  End Date  06/01/2021

Were there any significant changes to the Steering Committee or the goals and objectives of this Priority Area since your last report?

☐ No  ☑ Yes

If yes, please describe: New Co-Chair (Lynn Giljahn)

What were some of the most salient accomplishments during this reporting period? (Limit to 1-3 highlights)?

1. Assisted with communication plan for the NAACCR Strategic Management Plan (SMP) renewal process, including member survey, website updates, and social media announcements for comment period and SMP Town Hall via Zoom.
2. Continued to develop new goals and objectives for NAACCR’s SMP 2021-2024, incorporating recommendations from member survey, SMP Workgroup, and Board of Directors.

Please provide an update for each of the objectives below, including progress to date and relevant work groups and task forces, where appropriate. For more information about the 2016-2021 SMP, go to  [https://www.naaccr.org/strategic-management-plan](https://www.naaccr.org/strategic-management-plan).

**Goal 1: Serve as the voice for NAACCR members on key issues involving central cancer registries.**

**Objective 1:** Use modern methods such as internet-based technologies to capture and share member views, opinions, and perspectives on important registry issues.

*Update:* Continue to utilize the most effective communication streams to NAACCR members including the website, the NAACCR Listserv, and the NAACCR Narrative Newsletter with supplemental announcements via social media.

**Objective 2:** Release position papers and policy statements, as appropriate, that support registries, cancer surveillance, and the NAACCR mission as required by the Board, NAACCR membership, or steering committees.

*Update:* No position papers or statements were requested of the committee for promotion during this period.

**Objective 3:** Serve as a united voice for policy issues and position statements that promote NAACCR’s mission or benefit central cancer registries.

*Update:* No requests for policy issues and statements were requested of the committee for promotion during this period.

**Goal 2: Promote the sharing of expertise, knowledge, procedures, and best practices among NAACCR members to ensure efficiency and reduce redundancy of effort.**
Objective 1: Promote the Causeway Workspace Collaboration resource on the NAACCR website where members may post informational items that may be of value to other NAACCR members.

Update: No additional work has occurred in this area. The Causeway space has been decommissioned. Committees currently use NAACCR Share.

Objective 2: Develop an area on the NAACCR website where members may ask other members for guidance with particular issues or suggest a problem for collaborative solution efforts.

Update: The NAACCR Forums continue to be an option for members to easily ask other members for guidance, as well as collaborate directly with one another. The Steering Committee submitted goals and objectives to address the low utilization of forums and the proposed workplan for next year will include an assessment of current tools and consideration of alternatives to enhance online discussions that are timely and relevant to the most pressing informational needs of the NAACCR membership and its partners.

Objective 3: Enhance NAACCR’s use of web-based and technology-driven communication systems to improve information sharing and promote adoption of best practices and develop a more global distribution list for outward communication.

Update: The Steering Committee worked with the NAACCR office to schedule social media announcements and reminders of the SMP using Buffer and targeting email to members-only utilizing Constant Contact.

Objective 4: Provide a venue and act as a clearinghouse for sharing software products, SAS or other programs, algorithms, tools, and/or templates to make them more widely available and minimize duplication of effort.

Update: The NAACCR ListServ, through NAACCR's Community Connect system, continues as an effective means for information dissemination about these tools. The NAACCR web site also serves as an important method for sharing software, analytic utility programs, algorithms, tools, and templates critical to the cancer registry/surveillance community for activities.
Report Date: 5/21/2021
Chair/Co-Chairs: Andrea Sipin-Baliwas / Carrie Bateman
Reporting Period: Start Date December 2020  End Date May 2021

Were there any significant changes to the Steering Committee or the goals and objectives of this Priority Area since your last report? □ No □ Yes

If yes, please describe:

What were some of the most salient accomplishments during this reporting period? (Limit to 1-3 highlights)?

1. Finalized 2021 – 2023 Strategic Management Plan (Continued development of the work plan).
2. Approved a draft of the new Ambassador Program website.
3. Held 11 NAACCR talks (listed under Goal 2 Objective 1 below).

Please provide an update for each of the objectives below, including progress to date and relevant work groups and task forces, where appropriate. For more information about the 2016-2021 SMP, go to https://www.naaccr.org/strategic-management-plan.

**Goal 1: Develop and implement strategies to recruit and retain personnel in central cancer registries by enhancing career opportunities for individuals with diverse skill sets.**

**Objective 1:** Partner with other professional organizations (e.g., AHIMA, NCRA, APHA) to address recruitment and retention issues.

*Update:* Transitioning chair of the Workgroup – Keri Miller from Alaska Native Tumor Registry will take over for Carrie Bateman.

**Objective 2:** Establish collaborative approaches to make career opportunities more attractive to individuals with skill sets and expertise to build and implement the cancer registry of the future.

*Update:* Reviewing the training plan in the Recruitment Toolkit to determine any updates necessary.

**Objective 3:** In collaboration with other steering committees such as Standards and Registry Development and Research and Data Use bring top central registry staff together to brainstorm best practices for leadership, management, registry operations, epidemiology/statistics, IT, research support and data security.

*No updates.*

**Objective 4:** Collaborate with NCRA and other groups to address data quality from non-cancer registry/non-US outsourcing firms.

*No updates.*

**Objective 5:** Engage new members through the Member Ambassador Program to encourage involvement in NAACCR activities.
Update: The NAACCR Member Ambassador Program (MAP) was officially launched on May 27, 2021 with the primary goal of assisting NAACCR members who want to get involved but don’t know where to start. A MAP page has been added to the NAACCR website including a form to initiate the process.

Goal 2: Develop a comprehensive multidisciplinary training program to ensure that NAACCR members possess the requisite skill sets to excel in the rapidly changing cancer surveillance environment.

Objective 1: Produce a training program that includes core competencies in the areas of leadership, management, registry operations, epidemiology/statistics, IT, research support and data security to prepare members for management positions and to provide for a talented and reliable supply of future NAACCR leaders.

Update: We had a total of 754 attendees with these NAACCR Talks.

Objective 2: Coordinate an inter-registry mentorship program with opportunities for registry staff to observe operations and best practices of highly successful registries.

Update: Collaborating with the NAACCR Board to revamp mentorship program and establish a budget for resources needed.

Objective 3: Support and guide University level curriculum for central cancer registries with other interested organizations.

Update: Ann Marie Hill and Stephanie Hill presented updates to the committee regarding the Undergraduate Certificate in Cancer Surveillance program under the Edward J. Bloustein School of Planning and Public Policy. Ann Marie believes the Committee can assist with helping to engage students in the Cancer Surveillance community and provide recommendations for program instructors.
Were there any significant changes to the Steering Committee or the goals and objectives of this Priority Area since your last report? □ No □ Yes

Jeff Dowden replaced Susan Gershman as RDU co-Chair. Susan remains on the Steering Committee. Heather Zimmerman will replace Sarah Nash as RDU co-chair at the conclusion of the annual meeting. Sarah has accepted a position on the NAACCR Board but hopes to remain on the steering committee as Board Liaison.

What were some of the most salient accomplishments during this reporting period? (Limit to 1-3 highlights)?

3. There were 47 requests to access the CiNA public use dataset.
4. The CiNA DaRT system for data requests was completed and should be live within the next month. Release has been delayed by technical issues related to the change in SEER access. This will greatly increase the efficiency of the CiNA data application process.
5. There were 16 NAACCR Talks on RDU topics.

Please provide an update for each of the objectives below, including progress to date and relevant work groups and task forces, where appropriate. For more information about the 2016-2021 SMP, go to https://www.naaccr.org/strategic-management-plan.

Goal 1: Develop efficient, centralized processes to improve access to North American population-based cancer registry data for linkages, research, surveillance, and other applications.

Objective 1: Promote the use of high-quality and timely registry data by enhancing the annual Call for Data and the various NAACCR CiNA data products.

Update:

• Call for Data
  - Updated NAACCR*Prep and completed December 2020 CFD
  - Certification complete and 65 registries were awarded gold certification

• CiNA products
  - CiNA Monographs released in May
  - Replaced Fast*Stats with improved data visualization tool CiNA*Explorer, to be released in June
  - 47 requests for access to the CiNA public use dataset (not including NAACCR committees)
  - 9 applications for access to CiNA Deluxe (not including NAACCR committee)
  - 5 manuscripts reviewed by NAACCR SEB & NAACCR IRB
  - Participated in 2020 Annual Report to the Nation—special focus Economic Burden of Cancer; 2 papers—standard analysis pending publication and special section still undergoing agency review

• Certification
  - Continued evaluation of additional metrics for assessing case ascertainment/completeness
  - Released Recognition: Fit for Use for Survival & Prevalence analysis
58 Registries achieved this designation for 2008-2017 diagnosis years, based on December 2020 submission
Working with Data Assessment Workgroup to evaluate other designations

**Objective 2:** Develop a voluntary process to combine limited data from multiple registries to facilitate record linkage research.

*Update:*
- Six new registries have joined the VPR, bringing the total number of participating registries up to 43 (representing 86.6% of the U.S. population plus Puerto Rico).
- Of the 43 participating registries, 31 are using the Templated IRB/Registry Application in lieu of their registry and/or IRB state-specific applications.
- The NAACCR Templated DUA Task Force finalized the Templated Data Use Agreement which has been incorporated into the VPR process and has been approved for use in place of state specific agreements in 21 of the VPR registries.
- The VPR Phase I pilot testing (linkage and match count release) has been successfully completed with all 5 original pilot test studies. A new study, the NIH-AARP Diet and Health Study, was recently approved for Phase I linkage and is currently being linked at participating VPR registries.
- The Phase II pilot testing (request for individual-level data on Phase I matches) with the Childhood Cancer Survivor Study (CCSS) and the Transplant Cancer Match (TCM) Study has been approved by 26 of the 30 selected registries. These researchers have provided significant feedback on key areas for system enhancements.
- System enhancements have been made and are now being tested by the three remaining Phase II pilot test studies: The Cohort Cancer Registry Follow-up Study (CCRF), the Sister Study (SS), and the Women’s Health Initiative.

**Objective 3:** Maintain and enhance tools to inform researchers about state- and province-specific research experience, interests, and processes to initiate research.

*Update:*
- Established CiNA Research Network that is a core group that will help facilitate collaborative papers using CiNA as well as review data research protocols.
- 3 initial projects: a description of CiNA, Incidence of rare cancers, and ABSM analysis
- CiNA Research Network will work with Professional Development and MAP to support collaboration and/or mentorship among researchers wishing to use CiNA data but unfamiliar with cancer surveillance data.
- Synthetic Dataset Task Force has expanded the synthetic dataset and it can be used for software development and testing or teaching. Next step is to promote the synthetic dataset so that the larger community is aware of it.

**Objective 4:** Increase accessibility to NAACCR’s CiNA products by periodically evaluating data access policies and processes.

*Update:*
Data Security & Confidentiality Workgroup prepared file report of survey and developed a list of priority projects based on the survey results. Survey report and priority list will be presented to NAACCR Board in June 2021.

CiNA DaRT automated system for data access and request is ready for release and should be live in June—delay due to technical issues related to change in SEER access.

Objective 5: Increase the value and relevance of central cancer registries to the cancer control community, clinicians, researchers, and the public.

Update:

- Updated on-line query system with additional data visualization (CiNA*Explorer) to be released June 2021.

- 2020 Census & Denominator Workgroup has established and approved methodology for tract-level estimates. Estimates are incorporated into SEER*Stat and will be released as requested. This Workgroup also established and approved methodology for estimating Congressional Districts based on census-tract as well as NCI/NAACCR Cancer Reporting Zones and the CDC EPHT Sub-County Areas. Will incorporate these additional ABSM assignments in December 2021 Call for Data. This Workgroup continues to assess and address issues around Census differential privacy and procedures, as well as changes in availability of race/ethnicity population categories.

Goal 2: Improve the research capacity of NAACCR Member Registries, and enhance data use capabilities.

Objective 1: Strengthen NAACCR Member Registry capacity in research and data use.

Update: Data Analyst Handbook Workgroup formed and established content area.

Strategic Management Plan 2016-2021
Standardization & Registry Development (S&RD)
Steering Committee Report

Report Date: June 1, 2021
Chair/Co-Chairs: Lori Koch, CTR and Wendy Aldinger, CTR
Reporting Period: Start Date June 2020    End Date May 2021

Were there any significant changes to the Steering Committee or the goals and objectives of this Priority Area since your last report?

☑ No  ☐ Yes

If yes, please describe:

What were some of the most salient accomplishments during this reporting period? (Limit to 1-3 highlights)?

6. Readiness surveys were conducted in May 2020 and May 2021.
7. 2021 Implementation Guidelines were released in 10/2020.
8. Interstate Case Ownership Taskforce was established and began meeting 6/2020.

Please provide an update for each of the objectives below, including progress to date and relevant work groups and task forces, where appropriate. For more information about the 2016-2021 SMP, go to https://www.naaccr.org/strategic-management-plan.

**Goal 1: Prepare for the cancer surveillance system of the future – a system that is more timely, responsive, and adaptable to change.**

**Objective 1:** Analyze how cancer surveillance systems will interface with electronic health data and continue to assess semantic interoperability issues.

*Update: Cancer Data Standards Registry and Repository (caDSR) provided a demonstration to Cancer Informatics Advisory Group (CIAG). CDC also provided a presentation to CIAG on the Data Modernization Project.*

*CIAG CaDSR Recommendation:*

1. Review existing NAACCR v16 for retirement vs workflow promotion.
2. Recommend identifying “Minimal Set” v18 and v21 for caDSR curation. Identify a group that wants to utilize NAACCR to help focus the minimum set.
3. Next Generation caDSR launches in summer 2021 and will have Spreadsheet Loading capability.
4. Target Fall 2021 for work to start on NAACCR v18 and v21 minimum set.

**Objective 2:** Engage and remain current with national/international efforts regarding informatics initiatives, electronic health records and other IT technologies.

*Update: Cancer Informatics Advisory Group (CIAG) has been formed and is now led by co-chairs Eric Durbin and Gary Levin. The group continues to meet. They are discussing COVID 19 Data Collection and have reviewed other national efforts to collect as well as best approaches to incorporate in the central registry.*

**Objective 3:** Provide the documentation, tools, and training that enables the NAACCR community to transition from the fixed-width data exchange standard to the NAACCR XML data exchange standard.
Update: Updated the XML Standards document and provided a webinar on July 22, 2020. The XML Data Exchange Workgroup reviewed the State-Specific Data Dictionary and provided feedback.

**Objective 4:** Conduct quarterly follow-up 2018 Readiness Surveys to determine how central registries are progressing in their ability to accept and process 2018 cases.

Update: The results of the 3rd Survey were released in January 2021. The 4th Survey was released in May 2021.

**Objective 5:** Identify emerging cancer surveillance data sources to assist registries with strategic planning for ensuing infrastructure and operational needs.

Update: CIAG discussed the COVID 19 Data Collection and have reviewed other national efforts to collect as well as best approaches to incorporate in the central registry. CIAG recommendations were submitted to S&RD on 9/15/2020.

**Goal 2: Provide consensus standards and best practices for the collection and processing cancer and patient information.**

**Objective 1:** Maintain consensus-based standards volumes and implementation guidelines.

Updates: The Data Exchange Standard, XML Specification for Cancer Registry Records now replaces Standards Volume I.

NAACCR Volume II v21 was released in August 2020, followed by several updates.

NAACCR Volume V was updated and was released in May 2020 and was revised in July. Summary of changes from version 4.0 to 5.0 was posted in December.

Uniform Data Standards Work Group continues to review and approve new data items as requested. Review has begun on proposed 2022 data changes.

Schedule was developed to ensure all standard documents are reviewed/updated at a minimum every 5 years.

The Data Standards and Data Dictionary Restructure TF team charter was reviewed by CIAG. Two members from CIAG agreed to participate in this task force representing the CIAG, Moffitt Cancer Center and Emory University.

**Objective 2:** Develop methods to simplify the death clearance process to improve efficiency and reduce cost.

Update: The Death Clearance Manual Task Force is currently reviewing the entire manual.

**Objective 3:** Facilitate automation of record consolidation by developing general principles and consolidation guidelines.

Update: A request was presented to the MLTG to oversee auto-consolidation activities being done by the standard setters to ensure consistency. NPCR and SEER presented current activities to S&RD. They will provide routine updates.

**Objective 4:** Provide guidelines to central registries that will improve the timeliness of cancer reporting.
Update: No update at this time. This objective is currently on hold until NAACCR completes its registry assessment and timeliness project for NACDD and NPCR.

CIAG Update: CIAG considered that there has been much work on how to operationalize timeliness improvements and concluded that electronic pathology reporting offers the greatest potential to improve registry timeliness. The group determined to further explore the utility of Natural Language Processing (NLP), particularly in the context of electronic pathology reporting as a fresh approach to this topic.

CIAG plans to draft a paper with a focus on what registries can do moving forward on a national level using NLP tools. Different approaches to the paper have been discussed. The paper will likely evaluate the current advances in NLP research, such as work emerging from the Department of Energy (DOE) and NCI collaboration. Topics such as uncertainty quantification and registry workflows will be considered. Goal will be to suggest a national strategy to move these developments forward to benefit all registries.

**Objective 5:** Collaborate with the Research and Data Use Steering Committee to develop best practices for inter-state de-duplication.

Update: The S&RD co-chairs formed the Interstate Case Ownership Task Force in collaboration with the RDU SC to develop rules for determining ownership of duplicate cases. The group began meeting in June 2020.

**Objective 6:** Develop best practices regarding NDI linkage for use by all states.

Update: No update at this time. This objective is currently on hold.

**Objective 7:** Participate on the Mid-Level Tactical Group (MLTG) calls.

Update: The S&RD co-chairs attended monthly MLTG calls, provided input from a central registry perspective. Approved data item changes as requested.

**Goal 3:** Explore innovative uses of cancer registries by identifying emerging initiatives and new roles that bring value-added benefits to cancer surveillance, research and cancer control.

**Objective 1:** Identify new strategies to assess and monitor cancer survivorship.

Update: No update at this time.

**Objective 2:** Monitor advances in cancer surveillance, control and research to identify potential roles for cancer registries.

Update: The CIAG is exploring and assessing. CIAG has solicited and viewed presentations on:

1. CDC Data Modernization project
2. CaDSR
3. CIAG attended the ONC presentation on Information Blocking. The presentation had to do with patients able to get their data. It did not address public health reporting or anything along those lines. They are entering the enforcement phase of this.

**Objective 3:** Identify new strategies to assess cancer surveillance for pediatric cancer.

Update: No update at this time, although this is something the MLTG wants to discuss and explore further.
Strategic Management Plan 2016-2021
Strategic Alliances Steering Committee Report

Report Date: 01/28/2020
Chair/Co-Chairs: Randi Rycroft
Reporting Period: Start Date 06/01/2020 End Date 05/31/2021

Were there any significant changes to the Steering Committee or the goals and objectives of this Priority Area since your last report?
☐ No ☑ Yes

If yes, please describe: As a result of the Strategic Management Plan renewal, and NAACCR’s leadership interest in an elevated focus on strategy, the Strategic Alliances Steering Committee will become the Strategic Planning and Alliances Steering Committee. In addition to working on developing and maintaining partnerships, the Steering Committee will develop strategy for Board consideration. The Chair has drafted a revised team charter.

What were some of the most salient accomplishments during this reporting period? (Limit to 1-3 highlights)?

1. Developed new goals and objectives for the SMP with the new Committee focus in mind. The new year will involve recruiting strategic thinkers to the Committee, finalizing the team charter and workplan, and holding our first strategic development session.
2. NAACCR leadership had an initial call with representatives from the American College of Radiologists (ACR). Their initial interest is in shepherding a proposed new data item for population level collection, but they also expressed interest in a longer term relationship between our two organizations.
3. Continued our relationship with national organizations:
   a. One Voice Against Cancer (OVAC) – NAACCR provided input to OVAC for their appropriations ask to increase funding for cancer registries and participated in a Hill Briefing on “Cancer Research: Challenges, Progress and the Role of Cancer Registries.” OVAC hosted a speaker panel to educate policy makers on the importance of cancer registries in cancer research and cancer control efforts.
   b. Comprehensive Cancer Control National Partnership—NAACCR attends monthly calls and in-person meetings twice a year (which were held virtually this past year).
   c. College of American Pathologists – CAP now has representatives on both the MLTG and HLSG.

Please provide an update for each of the objectives below, including progress to date and relevant work groups and task forces, where appropriate. For more information about the 2016-2021 SMP, go to https://www.naaccr.org/strategic-management-plan.

Major Goal: Strengthen relationships with SMOs and existing partners, while establishing new alliances with key organizations to promote the NAACCR mission.

Objective 1: Cultivate productive working relationships with standard setters by facilitating open communications and purposeful actions.

Update: NAACCR members actively participate in both the Mid-Level Tactical Group and the High-Level Strategic Group which are charged with coordinating changes in surveillance practice and standards. All standard setters participate in these groups.

Through multiple projects, NAACCR maintains strong relationships with NCI SEER and CDC NPCR. NAACCR’s relationship with our Canadian colleagues involves attending the annual Canadian Cancer
Council meeting and, currently, having two Canadian representatives on the NAACCR Board. The in-person annual Canadian Cancer Council was cancelled and they held a virtual meeting in October 2020 and again in May 2021.

**Objective 2:** Enhance existing relationships and build new strategic alliances that benefit cancer registries and support the NAACCR mission.

**Update:** We continue our relationships with OVAC, CCCNP, NACDD, Ci4CC, our surveillance partners. We will continue to build the relationship with CAP and look forward to building a new relationship with ACR.
The following individuals have served in the role of a Steering Committee Chair / Co-Chair or Liaison over the last two years.
Thank you for your leadership!

ARTICLE I. Scope and Purpose

The North American Association of Central Cancer Registries, Inc. (NAACCR), the “Association”, is a professional organization that develops and promotes uniform data standards for cancer registration; provides education and training; certifies population-based registries; aggregates and publishes data from central cancer registries; and promotes the use of cancer surveillance data and systems for cancer control and epidemiologic research, public health programs, and patient care to reduce the burden of cancer in North America.

ARTICLE II. Membership

Section 1. Classification of Membership
The five classes of membership shall be:

Full: Full member organizations are central registries in the United States (Territories) or Canada (Territories), which are, or have the potential to become, population-based registries.
Individual: Individual members are those persons who are not currently working in a member organization who have demonstrated career and professional commitments and interests that are consistent with or complementary to those of NAACCR. Candidates for Individual Membership must be able to demonstrate involvement or activity in one or more of the following areas: cancer surveillance or registration, cancer epidemiology, patient care, cancer control, professional education, research, and biostatistics. Each candidate must make a commitment to support NAACCR through active participation in the activities of the Association. Individual members shall be entitled to participate and vote as a member of committees. Individual members may not chair a committee, vote on matters brought before the Membership at the Annual Meeting, nor vote for or hold an elected position in the Association.
Sponsoring: Sponsoring member organizations are national professional or national governmental organizations primarily involved in any of the following areas: cancer surveillance or registration, cancer epidemiology, patient care, cancer control, professional education, research, or biostatistics. Each sponsoring member organization shall be entitled to one vote on each matter submitted to membership vote. No action taken by the Association shall be construed as committing any sponsoring member organization to a prescribed course of action. Each sponsoring member organization may designate one or more representatives from such organization to participate in the Association’s affairs on behalf of such organization. Representatives of sponsoring member organizations may be a member of and chair a committee. Only one representative of a sponsoring member organization shall be entitled to cast that organization’s vote.
Sustaining: Sustaining member organizations are organizations interested in promoting the purposes of the Association. No action taken by the Association shall be construed as committing any sustaining member organization to a prescribed course of action. Each sustaining member organization may designate one or more representatives from such organization to participate in the Association’s affairs on behalf of such organization. Sustaining member organizations shall not be entitled to vote, and their representatives shall not be entitled to hold office. Representatives from sustaining member organizations may be a member of and chair a committee.

International Membership: This membership is available to individuals or organizations from countries other than the United States (Territories) and Canada. Candidates for International Membership must be able to demonstrate involvement or activity in one or more of the following areas: cancer surveillance or registration, cancer epidemiology, patient care, cancer control, professional education, research, and biostatistics. Each candidate must make a commitment to support NAACCR through active participation in the activities of the Association. International members shall be entitled to participate and vote as a member of committees. International members may chair subcommittees. International members may not chair a committee, vote on matters brought before the Membership at the Annual Meeting, nor vote for or hold an elected position in the Association.

Section 2. Application for Membership
Application for membership shall be submitted in a manner prescribed by the Board of Directors.

Section 3. Resignation
Any member may resign by submitting a resignation in writing to the Executive Director. If an effective date is not indicated in the letter, the resignation is effective on the date received.

Section 4. Continuing Membership
Each member shall continue their membership by paying their annual dues within the timeframe specified in these bylaws. All members wishing to change their membership category must complete a new membership application and submit it for review and approval before reclassification.

ARTICLE III. Officers

Section 1. Officers
The Board of Directors is composed of the Officers of the Association. The Officers shall be:

President
President-Elect or Immediate Past-President
Six Representatives-at-Large
Up to two Advisory Board Members
Treasurer

Section 2. Eligibility
An individual who is a representative in the Association of a full member organization for one year prior to election shall be eligible to hold the following offices: President, President-Elect, Representative-at-Large, and Treasurer. To be eligible for the office of President-Elect, a representative must, prior to the election, have served for one year as a
member of the Board of Directors or as a chair/co-chair of a NAACCR Committee that provides oversight for one of the priority areas in the Strategic Management Plan. To be eligible for Representative-at-Large or Treasurer, an individual must, prior to the election, have served as a member of a NAACCR committee. Eligibility of the Advisory Board Member(s) will be determined by the Board of Directors based on the needs of the Association.

Section 3. Term of Office

President: The term of office for President shall be two years.
President-Elect and Immediate Past-President: The term of office for President-Elect and Immediate Past-President shall be one year.
Representative-at-Large and Treasurer: The term of office for Representatives-at-large and Treasurer shall be two years. Individuals in these positions may serve a second consecutive two-year term, if re-elected, not to exceed a total of four consecutive years in the same position. The limit of four consecutive years may be exceeded when consecutive terms are served in different board positions. The Representatives-at-Large shall be elected on a rotating basis.
Advisory Board Member: The term of Advisory Board Member(s) shall coincide with the President’s term.

Officers shall assume office at the conclusion of the Annual Meeting of the members at which they are installed. Officers must continue to be representatives of full member organizations for their term of office. A change of membership status would constitute a vacancy.

Section 4. Vacancies

All vacancies, except the office of the President, shall be filled for the unexpired term by appointment by the President with the approval of the Board of Directors. A vacancy occurring within sixty days prior to end of term may or may not be filled as determined by the Board.
A vacancy in the office of President shall be filled for the remainder of the term of office by vote of the Board of Directors.
A vacancy in the office of President-Elect shall be filled by a special election of the voting members. A vacancy occurring within sixty days prior to assuming the Presidency shall be filled by a vote of the voting members at the next Annual Business Meeting.

Section 5. Nominations and Election

The Nominating Committee is elected annually during the general election. Elections shall be by ballot. The top three vote recipients will be elected as the Nominating Committee. A Chair for the Nominating Committee shall be elected by the incoming Nominating Committee by the end of the month elected. If all three positions on the Nominating Committee are not filled at the ballot election the remaining position(s) will be elected at the Annual Business Meeting. Following procedures set forth in these bylaws, the standing rules, and policies of the board, the Nominating Committee shall: receive all nominations for office and Nominating Committee members, due no later than ten days prior to the election; in consultation with NAACCR staff, confirm eligibility of those nominated; place the name of all eligible candidates on the ballot; and, not accept nominations after the ballot is finalized. NAACCR staff shall distribute the ballot to all voting members, with full instructions and shall serve as the tellers’ committee after ballots have been returned. Elections shall be by electronic ballot, with all ballots to be confidential. Write-in votes shall not be permitted except in the case of a special election.
Elections shall be decided by plurality vote. In case of a tie vote, a runoff election will be held. In the event of a tie vote after a runoff election, the election will be determined by a majority vote of the Board of Directors. For all NAACCR elections, each voting delegate cannot cast more than one vote for any candidate on the ballot. Members of the Nominating Committee cannot run for office while serving as a member of the committee. Advisory Board Member(s) are elected by a vote of the Board of Directors.

Section 6. Duties of Officers

President: The President shall function as the Chief Elected Officer of the Association. When requested by the Executive Director, the President shall represent NAACCR, or appoint a representative, for all inter- and intra-organization committees, meetings, etc. where NAACCR participation is necessary. The President or his/her designee may be a member, ex-officio, of each committee except the Nominating Committee. The President’s ex-officio status is without vote. The President oversees the management of the business of the Board of Directors. The President presides over the NAACCR Annual Business Meeting; in the President’s absence the President-Elect or Past-President presides. The President presides over all Board of Directors meetings; in the President’s absence the President-Elect or Past-President presides over the meetings. The President shall appoint all chairpersons of committees that provide oversight of the priority areas in the Strategic Management Plan.

President-Elect: The President-Elect shall prepare for his/her term of office by assisting the President. He/she will represent the President and NAACCR at the President’s or Executive Director’s request. The President-Elect shall succeed to the office of President at the conclusion of his/her term. The President-Elect assists in the management of and participate in the business of the Board of Directors including advising the President and Board as needed. The President-Elect shall appoint the chairpersons of committees that provide oversight of the priority areas in the Strategic Management Plan for his/her term of office prior to assuming the Office of President. The President-Elect attends all NAACCR Board meetings and Annual Business meetings.

Representatives-at-Large: The Representatives-at-Large shall serve as primary liaison officers with cancer registries and facilitate the exchange of information and the organization of projects. They will serve as Board Liaisons on committees as assigned by the President and participate in Board Governance activities and Board subcommittees as needed. The Representatives-at-Large attend all NAACCR Board meetings and Annual Business meetings.

Treasurer: The Treasurer shall provide fiscal oversight by reviewing monthly financial status reports that itemize receipts and disbursements for each NAACCR fund. The Treasurer will be provided with any financial supporting documentation and/or clarification as deemed necessary. The Treasurer shall provide a summary financial status report at the Annual Business Meeting. The Treasurer attends all NAACCR Board meetings and Annual Business meetings.

Immediate Past President: The Immediate Past President shall assist in the management of and participate in the business of the Board of Directors including advising the President and Board as needed. The Immediate Past President attends all NAACCR Board meetings and Annual Business meetings.

Advisory Board Member: Advisory Board Member(s) shall provide in-kind expertise, as needed to effectively implement the Strategic Management Plan or other priorities of the Association. Advisory Board Members do not vote and have no automatic right to attend Executive session.

Other duties of the officers shall be defined in the Standing Rules and may be determined by action of the Board of Directors.
ARTICLE IV. Meetings of the Membership

Section 1. Meetings

The Annual Business Meeting of the members of the Association shall be held in conjunction with the Annual Conference. The time and place of the meeting shall be determined by the Board of Directors. Special meetings may be called by the Board of Directors.

Section 2. Notification

The official call and notice of any meeting shall be sent at least thirty days prior to the scheduled meeting, and shall include the agenda and a description of each matter requiring special consideration or action.

Section 3. Quorum

A quorum for any meeting of members shall be a majority of the members registered at the meeting.

Section 4. Action

Action by members requires a majority vote of the members present and voting at a meeting at which a quorum is established. No action can be taken by the members at a special meeting except as to matters described in the notice of the special meeting or matters incidental to operation of the meeting.

When voting on general matters or as a member of a committee either as an NAACCR representative or a representative of another organization, members and NAACCR staff must recuse themselves as defined in the NAACCR conflict of interest policy.

If the voting delegate will not be able to attend the annual business meeting of NAACCR a proxy delegate can be designated to vote on behalf of the member organization. The proxy request must be submitted to the NAACCR Executive Office within the established deadline. The proxy delegate must:

be registered with the NAACCR office as a member of the NAACCR member organization; and,

be present at the NAACCR business meeting.

ARTICLE V. Board of Directors

Section 1. Composition

The Board of Directors shall be composed of the elected officers of the Association and the Executive Director.

Section 2. Duties

The Board of Directors shall:

The Board acts for the Association between scheduled meetings of the membership, is responsible for the management of the business and professional affairs of the Association, and takes other actions as required to implement the stated purposes of the Association.

Periodically develop and approve a Strategic Management Plan for the Association.

Define the duties of the officers in a manner consistent with the Bylaws.
Create and dissolve committees.

Section 3. Meeting of the Board of Directors

The Board of Directors shall meet at such times as deemed advisable during the year on the call of the President or majority of the Board. Presence at a meeting may be in person or virtually, provided that each member present is able to hear all other members present. A quorum shall be a majority of the members of the Board of Directors. Action by the Board of Directors shall be adopted by a majority vote of those present and voting at a meeting at which a quorum is present.

Section 4. Minutes and Notification of Action Taken

All action taken by the Board of Directors shall be recorded in the minutes of the Board. Minutes of the Board of Directors shall be available to the membership of the Association upon request.

ARTICLE VI. Committees

Section 1. Committees

As deemed necessary, Committees may be created by the Board of Directors to carry on the affairs of the Association. The composition, size, and duties of the committees shall be set forth in the Standing Rules or as adopted by the Board of Directors.

Section 2. Eligibility

Any full, sponsoring, or sustaining member representative in good standing for one full year prior to appointment shall be eligible to be appointed as Chairperson of a Committee.

Section 3. Vacancies

Vacancies in committee chairs and presidential appointments shall be filled by appointment by the President. All other vacancies on a committee shall be filled by the Committee Chairperson.

ARTICLE VII. NAACCR Staff

Section 1. Executive Director

The Board may appoint an Executive Director who shall perform all duties as designated by the Board. The Executive Director shall serve on the Board of Directors as an ex officio member without vote. The Executive Director cannot hold office or chair a committee. The Executive Director may serve as a member of committees and may chair ad hoc committees and subcommittees. The Executive Director, or his/her designee, shall be responsible for the preparation of a record of all proceedings, and for the general correspondence of the Association.

Section 2. Staff
