3. Discussion Items				
<p>Note: This meeting was held in New Orleans at the NAACCR Conference. Members present include those that attended in-person and virtually via Zoom.</p> <p>a. Review S&RD Charter – Heather/Colleen</p> <p>b. Review S&RD workplan – Heather/Colleen Heather reviewed the copy that has been sent to the NAACCR Board. The workplan will need to be updated according to the Strategic Initiatives.</p> <p>c. Review WGs, TFs, and AG – Heather/Colleen</p> <p>d. Cancer Informatics Advisory Group update – Eric/Gary Rich did not have a specific update but did say the group is going well, it brings different perspectives from outside.</p> <p>e. Mid-Level Tactical Group update – Colleen/Heather There was discussion on the proposed Method of Detection data item that has been suggested by a physician. This would identify the method of detection for breast cancer, radiologists would record this, not registrars. No final decision has been made. The increased frequency of changes over the last 2 years was discussed and how that can be addressed.</p>				<ul style="list-style-type: none"> All committee members need to review the workplan and provide any suggested changes/priorities.
