West Virginia Cancer Registry

State-Specific v25 Edits Metafile Information

September 9, 2024

The West Virginia Cancer Registry (WVCR) does not require or maintain custom fields. The WVCR therefore will not be posting a custom v25 edits metafile.

Software vendors should use the most current NAACCR v25 Standard Edits Metafile as the required edit set for West Virginia facilities. The WVCR instructs facilities to clear NAACCR Standard Edits before submitting cases to the central registry.

Questions can be directed to Myra Fernatt, Data Manager, at Myra.N.Fernatt@wv.gov or (304) 352-6254.
