

Changes to 2024 CFD Metafile

10/1/24 Update

1. Edit 8083 was removed and replaced with edit 3271. Edit 8083 worked correctly but was checking cases (2001-2009) that had not previously been checked.

9/23/24 Update

The following changes were made to the NAACCR Call for Data metafile. The changes should not result in any additional edits.

1. Table changed – SCHEMAID_AJCCID, updated with Version 9 AJCC IDs
