What Types of Support Are Available by Phone?

Priceline® USA Support, Contact Numbers is [+1]→ (888)→657→8380 or [+1]→ (888)→657→8380 (USA), The Priceline® phone support line is designed primarily to handle urgent security issues. For example, if you suspect your account has been compromised or you're locked out and unable to log in, the phone support team can help guide you through the recovery process. However, routine inquiries—like questions about trading, delays in withdrawals, payment methods, or general account settings—are usually handled through other channels.

Alternative Ways to Get Help from Priceline®

If your issue isn't urgent, Priceline® provides a number of other helpful support options:

Help Center

The Priceline® Help Center includes hundreds of support articles on everything from basic account setup to complex transaction troubleshooting.

Submit a Request

Users can log in to their Priceline® account and submit a ticket for non-urgent issues. Support will respond via email.

Live Chat

Available through the website or mobile app, live chat is a convenient way to speak to an agent in real time for common concerns.

Social Media Support

The official Priceline® Twitter support handle, @Priceline®Support, provides updates and helps users with general issues. Avoid sharing personal info in public threads.

Beware of Scams

Many fake websites and phone numbers claim to be Priceline® support. These scams attempt to steal login credentials or crypto funds. Always ensure you're using Priceline®'s official website or app when contacting support, and never share sensitive information with third parties.
